PDS Title reference: Fees and other costs

Instructions: Replace the **example of annual fees and costs for a balanced investment option** section with the following:

Example of annual fees and costs for a balanced investment option

This table gives an example of how the fees and costs in the Vanguard Balanced Index Fund investment option for *PortfolioCare* eWRAP Investment can affect your investment over a one-year period. You should use this table to compare this product with other investor directed portfolio services/similar managed investment schemes.

Example — Vanguard Balanced Index Fund investment option		Balance of \$50,000 with a contribution of \$5,000 during the year
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.00 .
Plus Management fees and costs ⁽ⁱ⁾	\$379.60	And , for every \$50,000 you have in the Vanguard Balanced Index Fund investment option, you will be charged or have deducted from your investment \$379.60 each year.
Plus Performance fees	Nil	And , you will be charged or have deducted from your investment \$0.00 in performance fees each year.
Plus Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0.00 in transaction costs.
Equals Cost of Vanguard Balanced Index Fund investment option		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of: \$379.60⁽ⁱⁱ⁾ What it costs you will depend on the investment option you choose and the fees you negotiate.

- (i) Management fees and costs comprise the minimum administration fee of \$379.60 per year. As your investment balance increases, the total administration fee you pay as a percentage of your investment balance will decrease due to the tiered administration fee structure. This amount does not include the administration fee on the contribution of \$5,000. This example assumes you hold a minimum Cash Account balance of \$1,000 for the entire year. Administration fees are not calculated on funds in your Cash Account.
- (ii) Additional fees and costs may apply, including adviser fees as agreed with your financial adviser and underlying fees and costs for investment options. Refer to **example 1 – managed fund** within the **additional examples of total fees and costs** section for further details. Establishment fee - \$0. You will not be charged exit fees if you make a withdrawal.

Note: The fees and costs we charge relate to *PortfolioCare* eWRAP Investment and access to the underlying investment options only. They do not include the fees and costs that relate to investing in those underlying investment options. Additional fees and costs will be charged by the issuers of the underlying investments that you choose to invest in through *PortfolioCare* eWRAP Investment. Refer to the product disclosure statements or other disclosure documents of those underlying investment options for further information.

Example — Vanguard Balanced Index Fund investment option Balance of \$50,000 with a contribution of \$5,000 during the year		
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.00 .
Plus Management fees and costs ⁽ⁱ⁾	\$379.60 + 0.29%	And , for every \$50,000 you have in the Vanguard Balanced Index Fund investment option, you will be charged or have deducted from your investment \$524.60 each year.
Plus Performance fees	Nil	And , you will be charged or have deducted from your investment \$0.00 in performance fees each year.
Plus Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0.00 in transaction costs.
Equals Cost of Vanguard Balanced Index Fund investment option		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of: \$524.60⁽ⁱⁱ⁾ What it costs you will depend on the investment option you choose and the fees you negotiate.

- (i) As your investment balance increases, the total administration fee you pay as a percentage of your investment balance will decrease due to the tiered administration fee structure. This amount comprises estimates of underlying management fees and costs for the Vanguard Balanced Index Fund investment option disclosed in the most recent Vanguard Balanced Index Fund product disclosure statement at the time of writing. It does not include underlying management fees and costs on the contribution of \$5,000 during the year which would equal an additional \$14.50 if invested at the beginning of the year. The dollar amount of investment fees and costs in the example is calculated as the sum of:
- the Management fees and costs for *PortfolioCare* eWRAP Investment of \$379.60; PLUS
 - the Management fees and costs for Vanguard Balanced Index Fund of 0.29% multiplied by the investment balance of \$50,000.
- This amount does not include the administration fee on the contribution of \$5,000.
- This example assumes you hold a minimum Cash Account balance of \$1,000 for the entire year. Administration fees are not calculated on funds in your Cash Account.
- (ii) Additional fees and costs may apply, including adviser fees as agreed with your financial adviser. **And**, a buy cost of 0.10% applies whenever you invest in the Vanguard Balanced Index Fund investment option (this will equal \$5 for every \$5,000 you invest). **And**, a sell cost of 0.10% applies whenever you withdraw from the Vanguard Balanced Index Fund investment option (this will equal \$5 for every \$5,000 you withdraw).

Welcome to *PortfolioCare* eWRAP Investment

PortfolioCare eWRAP Investment is an investor directed portfolio service (IDPS) or more commonly known as a wrap service. This means your transactional, custodial and reporting services are contained within a single administration platform. Along with streamlined administration, you'll benefit from extensive online reporting, giving you and your financial adviser more visibility and control of your investments.

Investment choice, expertise and flexibility

With *PortfolioCare* eWRAP Investment, you'll have access to an extensive range of investment opportunities and the expertise of experienced investment managers. You can choose from managed funds, ASX-listed securities, exchange-traded funds (ETFs), term deposits and cash, creating a personalised portfolio tailored to your individual objectives. See **choosing your options** section.

A Wrap service brings all your investments together around the Cash Account (see next column). This means you can administer your account in the one place.

You'll also enjoy the flexibility to change your investment mix at any time, in response to market movements or your evolving needs.

Features to make investing easy

Choice of Cash Account

The Cash Account is at the centre of your *PortfolioCare* eWRAP Investment account, providing a convenient transactional hub so you can quickly respond to market movements or new opportunities. You can choose from an online account with a higher rate and no transaction fees, or a cash management account with a greater range of features, including a cheque book and branch access. Your financial adviser will provide you with the Cash Account PDS to accompany your IDPS guide.

Wholesale prices

Enjoy access to a range of wholesale managed funds that are typically not available directly to retail investors. These investments generally have lower investment fees than retail funds.

Regular investing

From as little as \$100 per month, you can set up a regular buy facility for managed investments that can help you reach your investment goals sooner. You choose how much you want to invest into one or more managed investments and how often you want to invest (monthly or quarterly). See **regular buy** within the **your Cash Account** section for details.

Asset transfers

If you already hold managed investments or listed securities, you can transfer them to your *PortfolioCare* eWRAP Investment account, provided they are on our Available Products List. Generally, you can transfer managed investments and listed securities without a change in beneficial ownership. Depending on your circumstances, this may mean you won't have to pay capital gains tax when you transfer.

Once the assets are in your account, they will be reported along with the other investments in your portfolio, helping you manage all your investments from a single location. See **transferring managed funds into your account** and **transferring listed securities into your account** sections for details.

Tax management

With *PortfolioCare* eWRAP Investment, you have more control over the capital gain or loss when selling your investments, by nominating the specific tax parcels of managed investments to sell and choosing the tax parcel selection method for listed securities. This means you and your financial adviser can better manage your capital gains tax position. See **capital gains tax and tax management** section for details.

Consolidated reporting for all your investments

The *PortfolioCare* eWRAP Investment account consolidates all transaction reporting from various investment managers and listed entities – giving you and your financial adviser continuous, online access to account information. See **keeping you up-to-date** section for details.

Margin lending

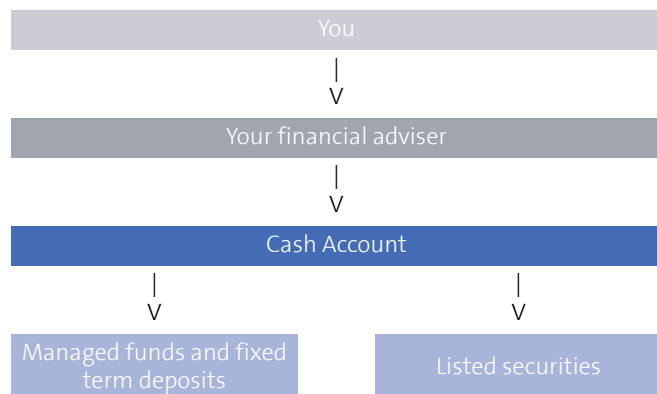

The eWRAP Margin Lending facility enables you to borrow money to invest in managed investments and listed securities through your account. Margin lending enables you to invest more than would be possible using only your own funds – and with more to invest, you have the potential for greater returns. But while margin lending can multiply your profits when you invest successfully, it can also multiply your losses when your investments fall, so it needs to be managed carefully.

For more information on margin lending, see **margin lending** section.

How *PortfolioCare* eWRAP Investment works

With an extensive menu to choose from, your *PortfolioCare* eWRAP Investment account makes it easy to manage your investments.

How it works – at a glance

Your financial adviser

To open a *PortfolioCare* eWRAP Investment account, you need a financial adviser. Your financial adviser will help you set up and manage your *PortfolioCare* eWRAP Investment account, bringing your strategy to life.

Your financial adviser has access to up-to-date information and can give you further details on the underlying investments available through your account. They can also help you to:

- maximise your investments, making the most of strategies available to you
- invest tax-effectively
- determine the right investment mix to make your money work harder for you
- select the investments and products most suitable for your needs and personal circumstances.

Your financial adviser buys and sells listed securities and units in managed funds on your behalf. You cannot trade directly on your account. For information on the level of authority you may give to your financial adviser, see **setting your adviser's level of authority** section. If you wish to change your financial adviser, you must tell us.

If you no longer have a financial adviser

If you no longer have an advisor to assist you in managing your account, you may be adversely impacted. Please read the below information for further details.

You must inform us if you are no longer retaining the services of a financial adviser to assist you in managing your account. Your adviser may also inform us that they are no longer providing services to you. If this occurs:

- you may remain invested in *PortfolioCare* eWRAP Investment and you may continue to provide us with instructions relating to your account and the investments held for you
- you will be treated in accordance with the NMMT Limited - Non-Advised Clients policy, which is available at no

additional cost to you, from amp.com.au/corporatepolicies, and

- we will remove your financial adviser's access to your account.

You are able to provide investment instructions relating to managed investments, (if you have a Custodial share account) listed securities and term deposits, but only where you complete and lodge a form with us (the form is available through our Customer Relations team or *Investor Online*). Transactions you can submit include:

- automatically invest excess cash
- automatically rebalance your account
- regular buy
- regular sell
- regular deposit/direct debit plan
- regular withdrawal plan, and
- reinvestment of income distributions.

A form will need to be completed each time you want to make one of these transactions.

To utilise the 'tax management' feature described in the **tax features** section in this document you will need to contact the Customer Relations team. The tax management feature allows you the ability to manage your capital gains tax position with respect to selling managed investments and listed securities held through your account.

You are able to provide us with your corporate action elections if you have a Custodial share account by contacting our Customer Relations team.

We strongly encourage you to have a financial adviser attached to your account at all times, to ensure that your financial strategy is being maintained and that you have access to all the features and functionalities offered through *PortfolioCare* eWRAP Investment.

Setting your adviser's level of authority

You decide how much authority your financial adviser has to send us instructions for your *PortfolioCare* eWRAP Investment account. There are two levels of authority:

- Investor directed authority – you must authorise each transaction or account change instruction in writing before your financial adviser electronically submits it to us.
- Authority to operate – allows your financial adviser to electronically submit investment instructions to us and amend your *PortfolioCare* eWRAP Investment account details on your behalf, without prior authorisation from you, with some exceptions listed in the next section.

Exceptions to the authority to operate

Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except instructions:

- to change the name of your account
- to transfer funds out of your Cash Account to fund a payment request
- to change your nominated and external linked accounts
- to change your name or address on any shares held in your account
- to apply for a share trading account
- in relation to any other matters outlined in this document that may require your personal instructions.

You can elect to give your adviser authority to initiate one-off or regular cash transfers from your Cash Account to your nominated account, external linked accounts, or any other Cash Accounts held under your client number using AdviserNET. However, your financial adviser can't withdraw funds from your Cash Account without your written authorisation.

For more information, see Authority to transfer cash in the Guide to completing the *PortfolioCare* eWRAP Investment application in the Application Booklet.

If you change your financial adviser or cancel your financial adviser's authority to operate, you must tell us immediately. If you change your financial adviser and do not inform us, we will continue to act on your existing authority to operate.

Getting started

This guide includes important information about *PortfolioCare* eWRAP Investment. Please read it carefully and seek advice from your financial adviser to decide if this product is right for you.

Applying for *PortfolioCare* eWRAP Investment

Your financial adviser will help you apply for *PortfolioCare* eWRAP Investment. To open a *PortfolioCare* eWRAP Investment account please provide:

All applicants are required to certify their foreign tax residency status.

Your financial adviser can tell you which documents are needed. For more information see **Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF) Act** section.

Choosing your options

As part of the application process, your financial adviser will also help you to:

You'll also receive a Welcome Letter from St. George, the provider of your Cash Account, with your phone and internet banking access number and instructions for setting up your password, plus a separate letter with your phone and internet banking security number. If there are two or more account holders on your CASH Connect Accounts where the method of operation is specified as 'two to sign', St. George will not issue a Welcome Letter as phone and internet banking are not available.

Activating your Cash Account

Before you can start investing, you need to activate your Cash Account by accepting the terms and conditions.

Here's how to activate your Cash Account:

Once there are sufficient cleared funds in your Cash Account, we'll purchase investments for you in line with the investment instructions your adviser lodges electronically on AdviserNET. We'll also deduct any fees that are due. The Cash Account PDS explains how to deposit to your Cash Account and how long it takes for funds to clear.

Managing your investments

Your Cash Account

When you open a *PortfolioCare* eWRAP Investment account, we set up a Cash Account for you. You can choose an eCASH Account or CASH Connect Account held by St. George – see the Cash Account PDS for details. Your Cash Account is at the centre of your *PortfolioCare* eWRAP Investment account, used to receive deposits and used to settle all purchases and sales of managed investments and listed securities.

You can make an investment into your *PortfolioCare* eWRAP Investment account at any time by direct debit.

Alternatively you can use your bank's online banking facilities to EFT. You can also make your initial or additional investments by cheque.

Any funds to be deposited are automatically credited to your Cash Account. Funds will remain in your Cash Account:

- until we receive investment instructions from your financial adviser
- until we deduct fees and other costs
- unless you have elected to automatically invest excess cash, in line with your instructions (see **automatically invest excess cash** section).
- unless you and your financial adviser elected to automatically rebalance your managed investments, including cash (see **rebalancing your account** section).

All fees, government charges and taxes are paid from your Cash Account. Similarly, any income distributions and dividends for Custodial share accounts are paid directly to your Cash Account. If you have a Sponsored share account, you can direct share registries to pay dividends to this account. See **listed security dividends** section for details.

Interest on your Cash Account is calculated on the daily closing balance, and credited to your Cash Account each month. The interest rate is variable and may change at any time. You can check the current Cash Account interest rates on Investor *Online* or with your financial adviser.

Maintaining a minimum balance in your Cash Account

You need to maintain a minimum balance of \$1,000 in your Cash Account to cover fees and other costs.

You can monitor your Cash Account balance by regularly checking the details of your account on Investor *Online*.

When your Cash Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Cash Account.

If there's not enough money in your Cash Account to fund a withdrawal or investment instruction, we may sell your managed investments to top up your account using the Priority Sell Method or the Default Sell Method, as outlined below.

Priority sell method

You can give us a standing Priority Sell instruction for your managed investments, telling us the order in which you would like your managed investments to be sold to top up your Cash Account balance.

Example

John's Cash Account balance is currently \$100. A fee of \$200 is about to be deducted from John's account. We need to sell managed investments to the value of \$1,100 to restore his Cash Account balance to the minimum \$1,000 required and to fund the outstanding fee of \$200. John has set up a Priority Sell instruction to sell managed investment A, followed by managed investment B. Managed investment A has a value of \$800 and managed investment B has a value of \$500. To restore the Cash Account balance, we'll sell all of managed investment A (\$800) and some of managed investment B (\$300).

Default sell method

If you haven't set up a Priority Sell instruction, or if the net value of the managed investments you nominated under the Priority Sell instruction is insufficient, we'll use the Default Sell Method.

The Default Sell Method is when we try to sell your managed investments in proportion to their estimated current value, subject to price and market changes that may occur during the selling process.

If we have sold all your managed investments and your Cash Account balance is still less than the required level, we will sell your listed securities, starting with the shareholding of the highest value, until we have released enough cash.

Example

The balance in Penny's Cash Account is \$200. A fee of \$300 is about to be deducted from Penny's account. We need to sell managed investments to the value of \$1,100 to restore her Cash Account balance to the minimum \$1,000 required and to fund the outstanding fee of \$300. 80% of Penny's account value is in managed investment A and 20% in managed investment B. There's no Priority Sell instruction in place. Using the Default Sell method, we'll sell from each managed investment proportionately as follows:

Managed investment A: 80% of \$1,100 =	\$880
Managed investment B: 20% of \$1,100 =	\$220
Total:	\$1,100

Automatically invest excess cash

To help you manage your Cash Account balance, you and your financial adviser can select a minimum and/or maximum target Cash Account balance. You can select either a dollar or percentage value of your account balance. The automatic cash management process is run monthly. If your Cash Account balance exceeds your specified maximum, we will automatically invest the excess balance according to your instructions.

Managed funds

With *PortfolioCare* eWRAP Investment you'll have a range of managed funds to choose from, often at wholesale prices not generally available to direct retail investors. You can find out more about the available investment options for *PortfolioCare* eWRAP Investment in the investment options document.

Before you instruct your financial adviser to buy managed funds, you must receive a PDS for the managed funds in which you're investing. These are available from your financial adviser or from *Investor Online*.

We do not consider or take labour standards or environmental, social or ethical considerations into account in making available the underlying investments. You can find out more about each option's investment policies by reading the PDS or other disclosure documents for that investment.

i Download the latest version of your investment options PDS from *Investor Online*, free of charge.

Buying managed funds

We can only accept investment instructions sent to us electronically by your financial adviser using AdviserNET. Your investment instructions will generally be placed with the investment manager on the following business day (a week day on which banks and the ASX are open for business in Sydney).

Before you instruct your financial adviser to buy managed investments, you must receive a PDS for the managed investments you're investing in. These are available from your financial adviser or from us, along with the Investment Options document.

The minimum amount for each buy instruction is \$100 per managed investment. This applies to both one-off buys and regular buys.

When you buy managed funds, we fund the purchase with money from your Cash Account.

If you instruct us to buy a managed investment and there's a pending transaction in place, such as a previous purchase or sale request, we won't place the investment instruction with the investment manager until the pending transaction has cleared.

Regular buy

Your financial adviser can arrange a regular buy for a specified dollar amount of one or more managed funds held through your account. We'll fund regular buys through your Cash Account.

Your financial adviser will help you nominate the:

- amount
- start date
- frequency
- optional end date.

The regular buy instruction will be sent to the investment manager on the nominated date (or the next business day if it falls on a non-business day). If there are insufficient funds in your Cash Account at the time the regular buy is to occur, the regular buy instruction will fail and your financial adviser will be notified. You will also be notified of a regular buy instruction failure when you log on to *Investor Online* and view the 'Account Actions' menu. AdviserNET will initiate the regular buy instruction again on the next nominated date for the original nominated amount.

You can change or cancel your regular buy instruction at any time – simply contact your financial adviser.

When you set up your regular buy instruction, you acknowledge and agree that we will continue your regular buy instructions until you instruct us otherwise. This means future investments will be made even though you may not have received the latest PDS for that investment, or information about material changes or significant events that may affect that investment. This includes information that the responsible entity of the investment is required to give you directly, unless exceptions apply.

i Download the latest version of your investment option's PDS from *Investor Online*.

Funding managed fund purchases

When you buy managed funds, we fund the purchase with money from your Cash Account. You'll need to make sure there is enough money in this account to fund your purchase instruction.

Insufficient funds

If you don't have enough money in your Cash Account, we'll keep checking each day until the expiry date of your purchase instruction. If the funds become available before the expiry date we'll automatically place your instructions with the investment manager.

The default expiry date is 28 days after you place the instruction, but your financial adviser can reduce it to zero, or increase it to a maximum of 56 days.

We record instructions to buy managed funds in date order. If you have a number of outstanding instructions, we'll start with the oldest instruction first, then if made on the same day, process them in descending order by size (largest transaction first) as sufficient cash becomes available in your Cash Account. That means they won't necessarily be processed in the order in which they were placed.

You can monitor the progress of your managed fund buy instructions from the Account Actions menu on *Investor Online*.

Transferring managed funds into your account

If you already hold managed funds that are on the menu, you can transfer them to your *PortfolioCare* eWRAP Investment account. To transfer your existing managed funds, they must be held with another IDPS provider and on our Available Products List. Since there is no change in beneficial ownership when you transfer managed funds to your account, you generally won't incur capital gains tax. However, this may depend on your particular circumstances, so you should seek tax advice before deciding whether to transfer investments.

Once your managed funds have been transferred to your account, we'll report on them along with the other investments in your portfolio.

For more information on how to transfer investments, please contact us or speak to your financial adviser.

Selling managed funds

The minimum sell amount is \$100 for each managed fund. If the sell amount is 95% or more of the value of your entire holding in a managed fund, we'll sell your entire holding in that managed fund and credit your Cash Account.

Your financial adviser sends sell instructions on AdviserNET. The time it takes for an investment manager to process a sell instruction for a managed fund can vary. Generally, sales are processed within seven business days unless suspended for any reason. Read the PDS for the investment you are selling for details of withdrawal restrictions.

When we receive the proceeds from the investment manager, we'll credit those funds into your Cash Account.

If you instruct us to sell a managed fund and there's a pending transaction in place (such as a previous purchase or sale request), we won't place the investment instruction with the investment manager until the pending transaction has cleared.

Regular sell

You can also ask your financial adviser to arrange a regular sale of a specified dollar amount from one or more of the managed funds you hold. Your financial adviser will help you nominate the:

- amount
- start date
- frequency – monthly or quarterly
- optional end date.

We'll send the sell instruction to the investment manager on the nominated date (or the next business day if it falls on a non-business day). If the specified sell amount is 95% or more of the value of your entire holding in a managed fund, we'll sell your entire holding in that managed fund.

When we receive the proceeds from the investment manager, we'll credit those funds to your Cash Account.

You can change or cancel your regular sell instruction at any time – simply contact your financial adviser.

Switching

You can switch between investment options at any time. Buy and sell instructions can be submitted on the same day, however please note that if there is insufficient cash in the Cash Account to cover the purchase we will wait for the proceeds from the sell instruction, or another deposit amount, to be received before we submit the buy. The entire purchase amount will need to be available in the Cash Account before we act on the buy instruction.

Buying and selling on the same day significantly reduces the time taken to complete your switch and gives you greater exposure to investment markets. You should note that some managed funds may take an extended timeframe to pay sales proceeds. Refer to underlying fund managers' disclosure documents for further information relating to withdrawal timeframes.

If you nominate to sell part of your holdings in any managed fund (via a partial withdrawal request or as part of a regular sell instruction), and the sale amount exceeds 95% of the current asset value, a full sale of the asset will be performed.

Income distributions

Income distributions from managed funds are credited to your Cash Account.

You can either keep your distributions as cash, or instruct us to buy more units in that particular managed fund. However, you cannot take part in any distribution reinvestment plan offered by investment managers.

Your financial adviser can set up and change your income distribution option using AdviserNET.

How distributions affect your account

Investment managers generally make a distribution of fund income to investors after the end of the 31 December, 31 March and 30 September quarters. After the end of the financial year (30 June), you will generally receive a distribution of both fund income and capital gains.

Before you receive your distribution, you may notice a drop in the value of your managed funds. The size of the drop is generally related to the size of the distribution – once we have received the distribution from the investment managers and passed it on to you, your Cash Account will generally return to a similar level (provided there have been no significant changes in asset values in the meantime).

Information from investment managers and voting

Investments (other than listed securities held in a sponsored listed security account) are held in Asgard's name as custodian for you. You retain beneficial ownership of the investments you buy, but because you are not the legal owner, you won't be able to exercise any unit holder rights, such as the right to attend meetings, the right to vote and the right to participate in any corporate actions.

Before exercising any of these rights in relation to your investments, we will ask for your instructions first.

You also won't receive any of the communications (such as newsletters and investment reports) that you would receive if you held these investments (other than listed securities held in a sponsored listed security account) directly. If you would like to receive copies of these documents, you can request them by writing to the Customer Relations team.

Listed securities

Your *PortfolioCare* eWRAP Investment account gives you the ability to invest in a broad range of listed Australian companies and property trusts, with access to all listed securities listed on the ASX.

To buy or sell listed securities, your financial adviser places orders through your chosen broker, who then places the order with the ASX. The costs or proceeds of listed security trades are settled through your Cash Account. We don't set any minimum buy amount for listed security purchases, but broker limits and market rules may apply. You can sell your listed securities at any time. It generally takes two business days after a trade is made for it to settle. If you no longer have a financial adviser, you can contact the Customer Relations team who can provide you with a form to complete. Alternatively, you can download the form from *Investor Online*.

While listed securities can offer the potential for higher investment returns, they can also be more volatile than other investment options. So make sure you discuss your needs and situation with your financial adviser before you decide to buy listed securities.

Setting up your account for listed security trading

To trade listed securities through your *PortfolioCare* eWRAP Investment account, your financial adviser will help you to:

1. Nominate listed security trading on your application or account amendment
2. Choose a Custodial or Sponsored listed security account (see **types of listed security accounts** section)
3. Request a Holder Identification Number (HIN) to be generated or transferred to your account (see **your Holder Identification Number** section)
4. Make a dividend election (see **listed security dividends** section)
5. Choose the tax parcel selection method that is to be applied to capital gains tax reporting on listed securities in your account (see **capital gains tax and tax management** section)
6. Set up a trading account with Australian Investment Exchange Ltd, or one of our other approved brokers (see **choice of broker** section).

Types of listed security accounts

When you set up your *PortfolioCare* eWRAP Investment for listed security trading, you can choose a:

- Sponsored listed security account – listed securities are held in your name. You are the legal and beneficial owner, and will receive and manage share registry communications and corporate actions. Sponsored listed security accounts are available to all investors.
- Custodial listed security account – listed securities are held in Asgard's name, as custodian for you, in the same way managed funds are held on your behalf. As custodian, Asgard holds legal title to your listed securities, but you are the beneficial owner. Communications about corporate actions will not be received from the share registries as the listed securities are held in Asgard's name. This arrangement works to reduce paperwork for you and your financial adviser. The Custodial listed security account isn't available to all investors. See overleaf for eligibility criteria.

If you have a Custodial listed security account set up and your residency status (for taxation purposes) changes, you must notify us immediately. In this event, we reserve the right to sell any listed securities in your Custodial listed security account and then close it. We may also decide not to accept any instructions from your financial adviser to buy listed securities.

(ii) See corporate actions section for more information.

(iii) Including GST and net of RITC, where available.

Your Holder Identification Number

Before you can trade listed securities, your account must have a Holder Identification Number (HIN). Your HIN is used to identify the legal owner of the listed securities in your account, and to register your account details on an electronic listed securities sub-register system (CHESS).

Your HIN is unique to your account, and you can only have one HIN per account. Depending on whether you have a Sponsored or Custodial listed security account, different rules apply:

Sponsored listed security account	<ul style="list-style-type: none">— Transfer an existing HIN to your account. Your existing HIN must be in the same name and have the same address as your <i>PortfolioCare</i> eWRAP Investment account, or— Ask for a new HIN. Before we can create a new HIN for you, you need to activate your account.
Custodial listed security account	<ul style="list-style-type: none">— You will be given a new HIN for your listed security account – you can't transfer an existing HIN.

If you don't trade on your trading account for a period of 18 months and don't hold any shares in your Sponsored or Custodial share trading account, we reserve the right to cancel your share trading account and HIN. We'll give you at least 30 days prior notice before this occurs and give you the option of keeping your share trading account open. Your *PortfolioCare* eWRAP Investment account will remain open.

Switching between custodial and sponsored listed security accounts

You can switch between Custodial and Sponsored listed security accounts at any time. Your financial adviser can send this instruction for you on AdviserNET.

When switching between Custodial and Sponsored listed security accounts, details regarding your shareholdings (for example, your TFN or instructions for the payment of dividends) will not be retained and will need to be resubmitted by you to the share registries (under the Sponsored listed security account) or to us (under the Custodial listed security account).

You'll also be given a new HIN when you switch, and your listed securities will be transferred to this HIN, where allowed.

Listed security dividends

Generally, you can choose whether to reinvest dividends you receive from your listed securities in a Dividend Reinvestment Plan (DRP), if one is available, or have them paid to you.

The type of listed security account you choose affects how you can receive your dividends:

Sponsored listed security account	<ul style="list-style-type: none">— You can choose how to receive dividends for each individual shareholding.— The share registry for each shareholding will send you a form asking for your dividend nomination. You can simply fill in each form and return it to them.— If you choose to receive dividends as cash, you can have them paid by cheque, to your Cash Account, or to another bank account. If you choose to pay dividends to another bank account, we can't verify whether you have received them. This means we can only provide a notional report on these dividend payments.
--	---

Custodial listed security account	<ul style="list-style-type: none">— Your dividend nomination applies across all listed securities held in your account.— If you choose to participate in DRPs, we'll apply your decision to all of your share holdings, wherever a DRP is available. You can't choose to receive dividends as cash for one shareholding while participating in a DRP for another.— If a DRP is not available for a particular shareholding, or there is a residual cash portion on your DRP, the dividend will be paid as cash and deposited in your Cash Account.— If you choose to receive your dividends as cash, any cash dividends you receive must be paid into your Cash Account. You cannot choose a bank account other than your Cash Account for dividends to be paid into.
--	--

Generally, it takes around 13 business days to apply a dividend instruction (three business days for us to send your instruction to the relevant share registry, and around 10 business days for them to process this instruction). So allow plenty of time when setting or changing your instruction to make sure your distributions can be processed as you wish. It is important to note that you may not have the most up to date version of the underlying investment option's PDS at the time of an acquisition of a holding under a DRP.

Choice of broker

To buy or sell listed securities, your financial adviser places orders with a broker, who executes the trades on your behalf. If you no longer have a financial adviser, you can contact the Customer Relations team who can provide you with a form to complete. Alternatively, you can download the form from [Investor Online](#).

Before you can trade, you'll need an account with Asgard's default broker Australian Investment Exchange Ltd, or with another broker on our approved brokers list. Asgard appoints the brokers on this list (known as panel brokers), and the list may change occasionally.

To set up an account with Australian Investment Exchange Ltd, simply nominate them on your application, or ask your adviser. If you have a Sponsored listed security account, you'll also need to complete the Australian Investment Exchange Ltd online share trading application.

When you set up your account for trading, you give your financial adviser the authority to send instructions to Australian Investment Exchange Ltd or a panel broker on your behalf. This means that you're responsible for any order your adviser places for you, including any that are incorrect. Also, if you choose a panel broker other than Australian Investment Exchange Ltd, you're responsible for telling them about any changes to your listed security trading account, such as your registered details or a new HIN.

CHESS sponsorship

Your listed security trades take place electronically through the ASX, with ownership recorded on an electronic listed securities sub-register system, CHESS. Asgard's settlement agent is currently Australian Investment Exchange Ltd.

If you choose a Sponsored listed security account, you agree that Australian Investment Exchange Ltd can act as your CHESS sponsor, and that Asgard can appoint another CHESS Participant to provide settlement services. You can terminate Australian Investment Exchange Ltd's sponsorship of your listed securities at any time—but if you do, you'll no longer be able to hold listed securities in the Sponsored listed security account through your *PortfolioCare* eWRAP Investment account.

The CHESS sponsorship terms and conditions disclosed within the 'Australian Investment Exchange Ltd Terms and Conditions' section of the Guide sets out your rights and obligations as part of Australian Investment Exchange Ltd's sponsorship of your CHESS holdings, particularly your obligations to pay Australian Investment Exchange Ltd for the listed securities you buy and to pay for brokerage and other trading fees.

It's important to read these terms and conditions carefully. If you need help or would like a copy of your CHESS sponsorship agreement, you can call the Customer Relations team on 1800 004 594, or speak to your financial adviser.

Funding listed security purchases

When you buy listed securities through your account, you're responsible for paying the purchase prices, and listed security trading fees (such as brokerage).

To cover these costs, you'll need to make sure you have enough money in your Cash Account or in pending proceeds from unsettled listed security trades you've previously placed, or both.

Insufficient funds

If there is insufficient funds available and you fail (after a demand has been made) to pay the amount due in respect of the trade, your trade will not be settled. Asgard, or the panel broker, may take the following action to enable settlement of the trade:

- sell or transfer on your behalf any of the listed securities referred to in the trade confirmation, and/or
- sell or transfer any other listed securities held in your account, or any of your assets in our control or possession.

You may also be liable for failed settlement fees charged by the panel broker and settlement agent. You'll be invoiced directly for these fees, or alternatively they will be deducted from your Cash Account by Asgard's settlement agent.

Cash pledging

Funds in your Cash Account that are required to settle listed security purchases will have a pledge placed on them by Asgard's settlement agent. This is in order to hold the funds in your Cash Account until the time of settlement. Whilst the pledge is in place, the funds will be included in your total Cash Account balance, but you will not have access to them. At settlement, Asgard's settlement agent will remove the pledge and withdraw these funds from your Cash Account to settle the purchase.

Transferring listed securities into your account

If you already hold listed securities, you can transfer them into your *PortfolioCare* eWRAP Investment account. To transfer your existing listed securities, they must be held with a broker, another IDPS provider, or issuer sponsored. Since there is no change in beneficial ownership when you transfer listed securities to your account, you won't incur any capital gains tax.

You can transfer listed securities individually to your account, under the HIN for your *PortfolioCare* eWRAP Investment listed security account (if you don't have a HIN set up, we'll ask CHESS to do this for you). If you have a Sponsored listed security account, you'll have to resubmit your details, like your TFN or dividend instructions, to the relevant share registries.

Alternatively, Sponsored listed security account holders have the option to move all the listed securities associated with an existing HIN to your account in a single transfer. If you do this, any details lodged with CHESS will be retained.

If your listed securities are issuer sponsored, you'll have a Shareholder Reference Number (SRN) for every issuer, instead of a single HIN.

For more information on how to transfer listed securities, please contact us or speak to your financial adviser.

Selling listed securities

We don't place a limit on the minimum sell amount for listed securities, but broker limits and market rules may apply.

To sell listed securities, your financial adviser sends your sell instruction to the broker, who will place your trade with the ASX. The broker will send you a confirmation once the trade is made.

It generally takes three business days after a trade is made for it to settle. Asgard's settlement agent will deposit the net proceeds in your Cash Account, after deducting brokerage and any other settlement fees, if they apply.

Insufficient listed securities

You are responsible for any sell placed by your financial adviser and you must ensure that you hold the required number of listed securities.

If you don't have sufficient listed securities in your account and you fail (after a demand has been made) to deliver the number of listed securities needed to settle the trade, your trade will not be settled. Asgard or the panel broker may buy on your behalf the additional listed securities required to complete settlement of the trade. In this event, the purchase cost and associated fees and charges will be deducted from your Cash Account.

You may also be liable for failed settlement fees charged by the panel broker and settlement agent. You may be invoiced directly for these fees, or alternatively they may be deducted from your Cash Account by Asgard's settlement agent.

It generally takes two business days after a trade is made for it to settle. Asgard's settlement agent will deposit the net proceeds in your Cash Account, after deducting brokerage and any other settlement fees, if they apply.

Valuations

Listed security investments are valued daily for reporting and tax purposes, using the ASX closing price data from the previous day.

Corporate actions

Corporate actions are events that affect your listed security holdings, including bonus issues, rights issues, distributions, buy backs, takeovers and call payments. Corporate actions can be:

- Voluntary. Actions where investors have one or more options, allowing each investor to choose the option they believe is best suited to their personal circumstances.
- Mandatory. Actions that simply happen, with no choices available.

Participating in corporate actions

Your ability to participate in corporate actions depends on the type of listed security trading account you have:

	Custodial listed security account	Sponsored listed security account
What types of corporate actions can I participate in?	Generally, you'll be able to participate in most corporate actions through your financial adviser, except shareholder rights, including voting and general meetings. In some cases, Asgard may not allow you to participate in corporate actions. Asgard will generally do this if there isn't enough time to lodge your elections with share registries, or if Asgard can't reasonably administer the corporate action.	You're entitled to participate in all corporate actions. You may also be able to gain access through the panel brokers to initial public offerings.
Who receives correspondence about corporate actions?	Asgard do. No corporate action notices will be sent to you, but Asgard will notify your financial adviser of these events.	You do. Corporate action notices are sent directly to you by the share registry.
How do I lodge an election for a corporate action?	Asgard participates in corporate actions on your behalf. When Asgard gives you the ability to make an election, your financial adviser will submit it to Asgard electronically. This means you can participate in corporate actions without having to manage this with the share registry yourself.	If you want to participate in a corporate action, you need to forward your election directly to the relevant share registry.
When do corporate action elections need to be made by?	Your financial adviser will need to send Asgard your election by the cut-off time Asgard nominates, which may be earlier than the cut-off time advised by the share registry. This is to make sure Asgard has enough time to send your election to the relevant share registry. Your financial adviser can advise you of our cut-off times. If Asgard do not receive your election before the cut-off time, Asgard will consider that you have made no election, and the default election for that corporate action will apply.	You need to send your election to the relevant share registry prior to the share registry's cut-off time. If your election isn't received before the share registry's cut-off time, you will be taken to have made no election and the default election for that corporate action will apply.
How are corporate actions funded?	If the election you make requires funding, Asgard will withdraw the required balance from your Cash Account or your eWRAP Margin Lending account (if applicable), based on the instructions you've given to Asgard. Your financial adviser can set up this election for you on AdviserNET, and it will apply to all corporate actions requiring payment until you tell Asgard otherwise. If you haven't set up an instruction on AdviserNET, Asgard will deduct the funds from your Cash Account. If you have insufficient funds available, Asgard will keep checking your Cash Account or Margin Loan Account up until our cut-off time. If there are no funds by this date, your corporate action election will lapse.	Corporate actions will be funded in line with the instructions you gave to the relevant share registry.
How do I receive proceeds from corporate actions?	Asgard will deposit any proceeds from corporate actions into your Cash Account.	Your proceeds will be paid to you in line with the instructions you gave to the relevant share registry.

Rebalancing your account

When you choose investments for your account, you create an investment profile that sets out your preferred investment mix, in line with the investment strategy you agreed with your adviser.

At any time you can ask us to rebalance your portfolio, buying and selling investments to ensure that the proportion invested in each holding matches your original profile. Your adviser can do this for you through AdviserNET.

You can also set up your account to regularly rebalance your portfolio. If you choose this option, your account will be rebalanced:

- quarterly (on or around 15 February, May, August and November)
- half-yearly (on or around 15 February and August), or
- annually (on or around 15 August).

Rebalancing only applies to your Cash Account balance, managed investments and listed securities. Assets with sales restrictions, such as existing fixed term products and closed products will not be rebalanced.

Margin lending

Your *PortfolioCare* eWRAP Investment account may offer the opportunity to use margin lending to expand your portfolio, with the listed securities and managed investments in your portfolio acting as security for the loan.

Margin lending may enable you to build a larger portfolio, sooner, by borrowing money to invest. Margin lending has the potential to multiply your income and capital gains when you invest successfully; but it can also multiply your losses if your investments fall in value. It's important to understand the risks and seek the advice of your financial adviser.

The eWRAP Margin Lending facility is provided by St. George and has its own PDS, available from your financial adviser. The PDS sets out the risks and benefits of margin lending, as well as its features, costs, and terms and conditions. It also explains how eWRAP Margin Lending changes the way your *PortfolioCare* eWRAP Investment account works.

You can apply for margin lending when you apply for your account, or at any time. Margin lending may also be available through external providers. For more information, contact your financial adviser.

Eligible investment selection process

The investment menu offers access to a range of investment options – refer to the ***PortfolioCare* eWRAP Investment Investment options** document for available options.

The investment options are subject to ongoing monitoring and review. This is performed against a number of investment, product and client related criteria as well as risk considerations. These are aimed at assessing the ongoing suitability of the option for clients, and include but are not limited to factors relating to the fund manager (investment process, resourcing and support, implementation, and performance), and others specific to the investment options such as relative risk, costs and tax, market risk, liquidity risk, operational risk and credit risk.

All investment options are subject to the same review criteria, including investment options offered by related parties. From time to time, we'll add or remove investment options based upon the above investment, client and risk considerations. We recommend you consult your financial adviser before selecting the specific investment options for your investment strategy. NMMT is not responsible for the performance of underlying investment options.

For more information on the investment options available, refer to the ***PortfolioCare* eWRAP Investment options** document on amp.com.au/portfoliocare or contact the Customer Relations team on 1800 004 594. You should also consider the investment option's PDS and TMD, available from your financial adviser.

Removing or closing investment option

We may, from time to time, redeem or close certain investment options where the underlying investment is either terminating or being closed by the fund manager. We may also decide to redeem (terminate) or close certain investment options as part of our ongoing review and due diligence (refer to the ***eligible investment selection process*** section).

Where this occurs, we will normally provide you with at least 30 days' prior notice. Prior to receiving any new instructions for terminated investments, we will invest the proceeds of the redemptions in your cash account. Where we cannot provide you with at least 30 days' prior notice (due to circumstances outside of our control or in circumstances where we believe that there is immediate investment risk), we will provide you with notice as soon as practicable.

The risks of investing

Here is an overview of significant risks you may face.

Liquidity risk

Liquidity risk is the risk that your investment cannot be bought, sold, cashed, transferred or rolled over as quickly as you might wish. Different investments have different transaction processing times and thus different levels of liquidity risk.

Investment transactions, withdrawals, rollovers and transfers from your investment account are normally processed within 30 days of us receiving all the necessary information. Some investments, referred to as 'illiquid assets', require a longer period to be redeemed. This longer redemption period is imposed by the underlying investment manager because some or all of the assets within the investment are illiquid. Account fees will continue to be charged while invested in illiquid investment options. We have labelled these investments as illiquid investments in the Investment Options document, which also shows the maximum redemption period for each option.

For more information, you should read the PDS for your chosen managed investment funds.

Investment risk

An investment in *PortfolioCare* eWRAP Investment is subject to investment risk, including possible delays in repayment and loss of income and capital invested. This risk can include market risk, company risk, currency risk, interest rate risk and inflation risk.

We don't guarantee either the performance of any investment or asset acquired through *PortfolioCare* eWRAP Investment, or the repayment of any capital.

Investment manager risk

Investment manager risk is the risk that a particular investment manager will under-perform its stated objectives, peers or benchmarks. The performance of your managed funds is partly dependent on the performance of the investment managers, who may not achieve their investment objective. Changes in staff within the investment management team may also affect performance.

The degree of success of an investment manager's strategies and methodologies can vary according to economic and other conditions. We reserve the right to change investment managers, change the investment options offered by them, introduce new investment options or cease to offer investment options. In some cases this may mean that your investments may have to be sold. If this occurs, there is a risk that you may incur losses (including taxes and transaction costs), or miss out on potential gains.

Target Market Determination

The Target Market Determination (TMD) sets out the class of consumers for whom the product, including its key attributes, would likely be consistent with their likely objectives, financial situation and needs. In addition, the TMD outlines the triggers to review the target market and certain other information. The TMD for each investment (where applicable) is available on amp.com.au/portfoliocare.

Other risks of investing in an IDPS

We depend on the accuracy and efficiency of our administration and computer systems. There is a risk that a failure in any of these systems could cause a delay in processing and reporting on your account.

There is also a risk that your rights may be affected by a change in the Deed Poll governing the *PortfolioCare* eWRAP Investment. We will notify you of any significant changes.

Managing risk

Choosing an investment strategy

Your investment strategy will be highly dependent on your attitude towards risk – the possibility that the investment will not return its original capital or expected income and that the level of return will be volatile during a given time period.

Diversification

Diversification is a basic strategy used to reduce some of the risks associated with investing. By spreading your investments across a number of assets, you are not reliant on the performance of, and are not exposed to the risks of, a single investment. Investing in only one or a few specific assets or direct securities can increase your risk.

Seek professional advice

It is very important that you understand and are aware of the risks and mitigating strategies, such as diversification, that are available to you. For more information on what risks apply to investing speak to your financial adviser.

Tax features

This section includes general information about the tax features of your *PortfolioCare* eWRAP Investment account. For more information about your individual situation, talk to your financial adviser or accountant.

Keeping you informed

To help you prepare your tax return, you or your financial adviser will receive an annual Tax Report and Tax Report Guide around September each year, along with quarterly or annual PAYG statements if you ask for them. You'll also have access to quarterly and annual PAYG information through *Investor Online*.

What income is taxable?

Income from managed investments and listed securities held through your *PortfolioCare* eWRAP Investment account is taxed in the same way as if you held them in your own name – even for investments where we are the legal owner.

Generally, any income in your account, including imputation credits and foreign income tax offsets will be part of your assessable income. You may also be able to offset these credits against income tax payable for the year. Rules applying to imputation credits received through trust investments are complex, so talk to your tax adviser about them. If you don't qualify for franking credits, they won't be part of your assessable income.

Capital gains tax and tax management

Any taxable capital gains from your investments will generally form part of your assessable income.

You can only offset capital losses against current year capital gains, or carry them forward to be offset against any future capital gains. Where a capital gains discount applies, capital losses must be offset against capital gains before any discount is applied.

In the consolidated Tax Report we provide you each year, we use a 'specific parcel selection' methodology in matching tax parcels to each sale during the year. We select parcels based on the type of investments you have and the nominations set up for you on AdviserNET.

Specific tax parcel selection may impact the amount of capital gain or loss you incur when selling investments. This is explained in more detail below.

Tax parcelling for managed funds

Through AdviserNET, your financial adviser can select which tax parcels to sell as part of any disposal of your managed funds.

If you don't select specific tax parcels, or if the wrong number of parcels is selected for a specific sale, we'll treat your managed funds as having been sold in this order:

Order	Investment type
1	Investments held for more than 12 months, starting with the oldest investment that was purchased after 19 September 1985.
2	Investments held for less than 12 months, starting with the most recently purchased assets.
3	Investments acquired before 19 September 1985 that were transferred to your account.

Tax parcelling for listed securities

When you set up your share account, you can specify the order in which tax parcels will be matched to share sales. Depending on your circumstances, you can choose one of these options:

Option	Description
Minimise gain	<p>We'll treat listed securities as having been sold in the order that minimises net capital gain across your share portfolio at the time of sale. This method will consider:</p> <ul style="list-style-type: none">– whether a gain has been made– when each parcel was acquired– whether a gain can be discounted or a cost-base indexed– if there are any capital losses that can be offset (either carried forward or generated in that financial year). <p>There may be other factors (such as a subsequent sale or other losses) that we don't take into account which may result in a different outcome.</p> <p>This will be the default method which will apply if you do not make an alternative selection.</p>
Maximise gain	<p>We'll treat listed securities as having been sold in the order that maximises the capital gain at the time of the sale. We'll select the parcel which generates the highest possible net capital gain first, then the parcel with the next highest net capital gain, and so on.</p>
First in first out (FIFO)	<p>We'll treat listed securities as having been sold in the order in which they were bought. The parcel that's been held the longest will be selected first, then the next longest, and so on.</p>
Modified FIFO	<p>We'll treat listed securities as having been sold in this order:</p> <ul style="list-style-type: none">– listed securities held for more than 12 months, starting with the oldest listed securities acquired after 19 September 1985– listed securities held for less than 12 months, starting with the most recently purchased assets– listed securities acquired before 19 September 1985 that were transferred to your account.

Tax parcels and your tax return

If you intend to use your consolidated tax report to calculate your gain or loss, you'll need to let us know your parcelling preferences by mid-July each year. That way, we can include this information when we prepare the capital gain or loss summary report for you.

If you've used interim capital gains reporting to determine your quarterly PAYG instalment income (for example, for a self-managed superannuation fund), you should not change your selection later.

For existing accounts, we don't accept changes to the tax parcel selections during the tax-reporting period, from mid-July until around the end of November. This means you'll need to change the method by mid-July, or the previous method will also apply to sales in the new financial year.

If you do not change your method by mid-July, the new method will also apply for the previous financial year.

Our Customer Relations Team can advise the exact July cut-off date each year for changes to tax parcel selections.

Please speak to your financial adviser or taxation consultant to find out which method is most suitable to you.

Tax reporting

Each year, we'll provide you a Tax Report. The Tax Report includes a Statement of Annual Taxation Summary and the supporting schedules. The Statement of Annual Taxation Summary makes it easier for you and your tax adviser to record the correct information on your tax return.

You can view your Tax Report on Investor *Online* by clicking on the link to Investor Reports.

Tax Report

When we prepare your quarterly and annual PAYG information and annual Tax Report, we make some assumptions. For example, we assume you've applied for capital gains tax rollover. This may mean the Tax Report or PAYG information doesn't accurately reflect your particular circumstances, so you may need to recalculate the amounts.

You can find more information about these assumptions in the Tax Report Guide.

Reporting on transferred assets

When you transfer your existing managed investments or listed securities to your *PortfolioCare* eWRAP Investment account, you'll need to provide all the relevant cost details. If these details are not correct, your annual Tax Report of PAYG statements won't be accurate.

Non-resident investors

The annual Tax Report is designed for use by Australian resident investors. When preparing an Australian income tax return, non-residents will need to adjust the details in the Tax Report appropriately.

When you apply for *PortfolioCare* eWRAP Investment, you need to indicate your residency status for tax purposes on the application. And if your residence status changes, you'll need to tell us immediately and speak with your taxation consultant.

If you become a non-resident and then become a resident again, you may need to give us your updated residency details. You'll also need to reconfirm your TFN details with us.

If one investor in a joint account is a non-resident, we'll treat your account as a non-resident account.

Tax Report Guide

The Tax Report Guide is designed to help you and your tax agent understand the Tax Report. It explains how to interpret your Tax Report and how to prepare a tax return.

The Tax Report Guide also includes information on foreign income, dividends, imputation credits, Australian TFN withholding tax, worked examples and much more.

You can view the Tax Report Guide on Investor *Online* by clicking on the link to Investor Reports.

Fees and other costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a managed funds fee calculator to help you check out different fee options.

This section shows fees and other costs that you may be charged. These fees and costs may be deducted from your money, from the returns on your investment or from the assets in your account.

Taxes are set out in another part of this document.

You should read all the information about fees and costs because it is important to understand their impact on your investment.

The fees and costs for particular investment options offered through *PortfolioCare* eWRAP Investment are set out in the underlying investment option's PDS or other disclosure document.

The total fees and costs you pay **will** include the fees and costs of *PortfolioCare* eWRAP Investment (shown in the fees and costs summary below) as well as the underlying fees and costs of any investment option(s) you choose.

It is important that you understand the fees and costs of any investment options you choose and that those fees and costs are in addition to the fees and costs we charge, together with any transaction or account costs incurred on your behalf.

The underlying fees and costs of the investment option(s) chosen by you will generally be set out in a PDS or other disclosure document for the investment option. Accordingly, for detailed information about the underlying fees and costs associated with any particular investment option, refer to that investment option's PDS or other disclosure document. Visit amp.com.au/portfoliocare or contact your financial adviser to obtain up-to-date copies.

Example of annual fees and costs for a balanced investment option

This table gives an example of how the fees and costs in the Experts' Choice Balanced investment option for *PortfolioCare* eWRAP Investment can affect your investment over a one-year period. You should use this table to compare this product with other investor directed portfolio services/similar managed investment schemes.

Example—Experts' Choice Balanced investment option		Balance of \$50,000 with a contribution of \$5,000 during the year
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.00 .
Plus Management fees and costs ⁽ⁱ⁾	\$379.60	And , for every \$50,000 you have in the Experts' Choice Balanced investment option, you will be charged or have deducted from your investment \$379.60 each year.
Plus Performance fees	Nil	And , you will be charged or have deducted from your investment \$0.00 in performance fees each year.
Plus Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0.00 in transaction costs.
Equals Cost of Experts' Choice Balanced investment option		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of: \$379.60⁽ⁱⁱ⁾ What it costs you will depend on the investment option you choose and the fees you negotiate.

- (i) Management costs comprise the minimum administration fee of \$379.60 per year. This example assumes you hold an additional \$1,000 in your cash account for the entire year. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure.
- (ii) Additional fees and costs may apply, including adviser fees as agreed with your financial adviser and underlying fees and costs for investment options. Refer to **example 1 – managed fund** within the **additional example of total fees and costs** section for further details. Establishment fee - \$0. You will not be charged exit fees if you make a withdrawal.

Note: The fees and costs we charge relate to *PortfolioCare* eWRAP Investment and access to the underlying investment options only. They do not include the fees and costs that relate to investing in those underlying investment options. Additional fees and costs will be charged by the issuers of the underlying investments that you choose to invest in through *PortfolioCare* eWRAP Investment. Refer to the PDSs or other disclosure documents of those underlying investment options for further information.

Additional examples of total annual fees and costs

The following examples illustrate how the cumulative effect of the fees and costs of *PortfolioCare* eWRAP Investment, as well as the underlying fees and costs of certain types of investment options, can affect your investment over a one-year period, and how they can vary depending on the investment options you select.

The actual fees and costs that you will be charged will depend on your total account value, the investment options you choose and the transactions you carry out.

It does not include underlying management costs on the contribution of \$5,000 during the year which would equal an additional \$51.50 if invested at the beginning of the year.

The dollar amount of investment fees and costs in the example is calculated as the sum of:

- the Management fees and costs for *PortfolioCare* eWRAP \$379.60; PLUS
 - the Management fees and costs for Expert's Choice Balanced Fund of 1.02% multiplied by the account balance of \$50,000; PLUS
 - Performance fees and costs of 0.11% multiplied by the account balance of \$50,000; PLUS
 - Transaction costs of 0.16% multiplied by the account balance of \$50,000.
- (ii) Additional fees and costs may apply, including adviser fees as agreed with your financial adviser. **And**, a buy cost of 0.16% applies whenever you invest in the Experts' Choice Balanced investment option (this will equal \$8 for every

\$5,000 you invest). **And** a sell cost of 0.19% applies whenever you withdraw from the Experts' Choice Balanced investment option (this will equal \$9.50 for every \$5,000 you withdraw).

- (i) This example assumes you hold an additional \$1,000 in your cash account for the entire year. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure. There are no underlying fees and costs for term deposits.
- (ii) Additional fees and costs may apply, including adviser fees as agreed with your financial adviser. Buy/sell costs do not apply to term deposits.

Transaction costs

Brokerage fees

When you trade listed securities, the broker charges a brokerage fee. This is determined by the broker (excluding Australian Investment Exchange Ltd) and the financial adviser and is an additional cost to you. It may include an amount paid to your financial adviser.

For Australian Investment Exchange Ltd share trades, a share brokerage fee of \$25 is charged for trade values of up to and including \$30,000. For trade values over and above \$30,000, the brokerage fees charged will be 0.1025% of the trade value.

The brokerage fee is generally specified in the trade confirmation you receive from the broker. It does not include the listed security settlement fee, except for trades placed through Australian Investment Exchange Ltd.

For listed security purchases, brokerage is added to the listed security purchase price and the total deducted from your Cash Account.

For listed security sales, brokerage is deducted from sales proceeds and the net amount credited to your Cash Account.

If you have an eWRAP Margin Lending facility, listed security buys and sells, and related fees, are settled through your Margin Loan Account instead of your Cash Account.

Settlement fees

When you use a broker other than Australian Investment Exchange Ltd, a settlement fee of \$22 per trade applies. It is deducted from your Cash Account (or Margin Loan Account if you have an eWRAP Margin Loan) at the time of the trade and paid to Asgard's settlement service provider, Australian Investment Exchange Ltd.

Custodial listed security account fee

A custodial listed security account fee of \$300 a year applies to Custodial listed security accounts only, regardless of whether you hold listed securities in that account.

Where your Custodial listed security account is set up during the month, the fee will be charged on a pro rata basis.

Other fees and costs

The fee is calculated at 0.10% of the value of the settlement holding shortfall. A fail fee is levied on each business day a shortfall persists. The minimum fee is \$100 per day.

The failed settlement fee will be deducted from your Cash Account.

If you have an eWRAP Margin Lending facility, listed security buys and sells, and related fees, are settled through your Margin Loan Account instead of your Cash Account.

NMMT is the operator of *PortfolioCare* eWRAP Investment. NMMT must perform its obligations under the Custody Service Deed honestly and with reasonable care and diligence. The Custody Service Deed also contains a general obligation for NMMT to act in accordance with investment instructions from you. However, there are a number of circumstances where an instruction is deemed not to have been given, including:

- where the instruction is unacceptable or inappropriate with reference to the Custody Service Deed, this IDPS Guide, the law or market practice
- if the instruction is incomplete or may not be authentic, or
- if there is insufficient cash to meet the request.

NMMT has a voting policy in place regarding investments accessible through *PortfolioCare* eWRAP Investment. A copy of this policy is available free of charge upon request or at any time from amp.com.au/corporatepolicies.

NMMT has entered into contracts with the underlying investment managers and as a result may receive payment from the investment managers whose managed investment funds are available for investment through *PortfolioCare* eWRAP Investment.

NMMT and the sub-custodian it appoints may use omnibus accounts to hold assets (that is, accounts in which assets ultimately held for your benefit are pooled together with assets that are referable to other investors).

Your rights

Your rights as an investor through *PortfolioCare* eWRAP Investment are governed by this guide, the Deed Poll and the Corporations Act. The rights you have as an investor include the right to:

- withdraw your investment
- terminate your investment
- receive income entitlements
- receive investor reports, and
- inspect the Deed Poll.

There are differences between investing directly and investing through a portfolio administration service like *PortfolioCare* eWRAP Investment.

As an investor through *PortfolioCare* eWRAP Investment:

- you will have access to managed investment funds that are normally only available to investors with large amounts to invest.
- you are not entitled to any cooling-off rights. This is particularly important when considering investing in managed investments with limited liquidity as longer withdrawal periods and transaction fees will apply.
- investments (other than shares held in a sponsored share account) will be held in custody for you, and we will provide consolidated reporting and collect income on your behalf. Although you retain beneficial ownership, you won't be able to directly exercise any investor rights usually available to the legal owner, including the right to vote on company

and scheme resolutions. NMMT generally votes where a resolution is deemed to have the potential to materially effect the nature of the outcome of the investment.

- you may not have a right to withdraw and receive a refund from a managed investment fund if the product disclosure statement or other disclosure document for the managed investment fund becomes defective before issue. This means that the issuer of the managed investment fund may not be required to return your investment or provide other options such as notifying you of an option to withdraw your investment under the Corporations Act. Where practicable, we will communicate to your financial adviser where there is an option to withdraw and provide them with any accompanying disclosure (including supplementary or replacement disclosure) as soon as possible (but no later than 5 days from receipt of notification to us). We will also generally act on any instructions received as to how to exercise the withdrawal option.

If you were a direct investor:

- you will receive reports, accounts and may be able to participate in distribution reinvestment plans and have the right to vote in company and scheme resolutions.
- You may also be entitled to a 14 day cooling-off period with respect to certain financial products such as managed investments. If you exercise your right within the cooling-off period, you can have your application money returned (subject to some adjustments such as in respect of fees and market movements).
- Withdrawal rights will usually be available and may be exercised by you when a product disclosure statement/disclosure document is found to be defective or a disclosure condition is not met before the issue or sale of the related investment that you applied for directly. You will be notified directly by the product issuer of any option to withdraw and provided with any accompanying disclosure (including supplementary and replacement disclosure).

- b. You acknowledge that the Participant will make all reasonable attempts to effect any instructions to cancel or amend orders as quickly as possible. However,

should an order be filled prior to a cancellation or amendment instruction being effected You will be obliged to accept the transaction(s) on the original terms. Whilst all reasonable attempts will be made to inform You when the order is filled prior to an amendment or cancellation instruction being effected, the Participant is not obliged to do so.

- c. You acknowledge and accept that there may be delays in processing between the time an amendment or cancellation instruction is dealt with by us and the time the amendment or cancellation is effected on market. In the event an order is filled between the time it has been 'approved' by the Participant and the time the Participant effects the instruction on market, You will be obliged to accept the transaction on the original terms.
- d. If You are uncertain as to whether Your order has been received You will make all reasonable attempts to verify whether the order has been received, approved and effected prior to taking any further action. You agree to issue specific cancellation or amendment instructions with respect to an existing order and not to attempt to effect such changes by placing a second or duplicate order. You will be solely responsible and liable for any duplicate instruction that You place.
- e. You acknowledge that the Participant is not liable to You for any loss You incur under a share purchase plan due to a seller or buyer or their broker failing to complete a transaction in accordance with the rules or procedures of the market, the clearing facility or the settlement facility.
- f. If You purchase on market a holding of rights for a security that is traded separately to the security, You acknowledge that the Participant automatically exercises those rights on Your behalf unless You tell the Participant not to exercise them.
- g. In the course of processing a sell order for a security, the Participant may remove Your holding of the security from the register before the due date for settlement under the Market Operating Rules.
- h. If, in its reasonable opinion, the Participant believes there is a dispute between You and the Participant about an order or instruction You have given the Participant, for example, the number of shares You have asked the Participant to buy, or the bid price for shares, the Participant may take, without prior notice to You, any action which in its reasonable opinion the Participant considers necessary to close any open position the subject of the dispute, for example, by selling shares.
- i. You acknowledge that, due to market conditions, the Participant may complete Your order by multiple market transactions, across multiple markets in accordance with our Best Execution Policy and You authorise the Participant to accumulate those transactions, across multiple markets in accordance with our Best Execution Policy on a single confirmation and specify the volume weighted average price for those market transactions.

- j. Where You have an adviser, You acknowledge that from time to time, the Participant may complete your order, and the orders of other clients of that adviser, using accumulated market transactions and You authorise the Participant to allocate those transactions accordingly at the average execution price. This average price will be reflected on Your individual confirmation.

- 5.20 You acknowledge and agree that we are entitled to cancel or reverse a dealing or order without further reference to You where the Market Operator has recommended or required cancellation or reversal for market integrity reasons, or where the market was operating under an error, or where the cancellation or reversal is permitted under the Market Operating Rules.
- 5.21 You acknowledge and agree that all orders must be submitted either 'At Market' or 'At Limit'. 'At Market' orders cannot be accepted outside of market hours or when trading in a particular stock is halted/suspended.
- 5.22 You acknowledge and agree that a "market" order is an order placed at either the best bid price when selling shares or at the best ask price when buying shares. If there is insufficient volume to fill Your order quantity, then the remaining portion will remain on the market at this price as a limit order. When placing market orders, You need to be aware that some stocks can be volatile, and the current quote that You see may be different from the price at which Your order transacts.
- 5.23 You acknowledge and agree that an 'At Limit' order will not be accepted, without any advice to You, if we consider the limit price to be too far away from the prevailing market price of that stock.
- 5.24 You acknowledge and agree that all Orders can be amended or cancelled provided the order has not already been executed.

6.0 STRAIGHT THROUGH PROCESSING

- 6.1 The Participant has provided You with access to STP.
- 6.2 You acknowledge the following in relation to Your access to STP:
 - a. any orders placed by You using STP will need to meet filters set by the Participant from time to time. The Participant may amend its filters from time to time without notification. The Participant is not required to inform You what the filters are;
 - b. that it is possible for an order placed by You to be matched with another order also placed by the Participant. This 'crossing' may be with an order by another client of the Participant. The Participant may as a result receive brokerage from both clients;
 - c. that STP is only available on 'limit' orders for securities with a normal status (i.e. not suspended or in a trading halt)
 - d. At Market orders can only be accepted during market hours 10am to 4pm (Sydney time), in securities with a normal status (i.e. not suspended or in a trading halt). STP is available on market orders;
 - e. If Your order does not pass the filters, then it will be referred to a Designated Trading Representative (DTR)

for evaluation. In some cases the DTR has the authority not to place the order on market until You become contactable to confirm the order. The Participant is not liable for any delays in placing Your order as a result of for Your order not being placed at all; and that the Market Operator's trading platform operating schedule defines the various phases of and at what time they happen.

You are aware that an important point is the opening phase, in which the market opening times are staggered depending on the starting letter of the ASX code.

6.3 You acknowledge that the Participant, as trading Participant, must ensure the conduct of an orderly market and prevent manipulative trading, including insider trading, false trading, market rigging and suspect transactions. Therefore in utilising STP You should realise that an order may be scrutinised by both the filters and a DTR.

6.4 You acknowledge that the Participant is required to prevent a bid, offer or dealing if any client intends to create, or taking into account the circumstances of the order, the Participant reasonably suspects that the client has placed the order with the intention of creating a false or misleading appearance of active trading in any financial product or with respect to the market for, or the price of any financial product, or market rigging or manipulation or suspect transactions.

You acknowledge and agree that the Participant reserves the right decline to act on Your behalf or accept Your instructions or process any orders placed through STP where in the opinion of the Participant, Your instructions breach or may breach any law or statutory or other regulatory requirements (including without limitation any rules or regulations of the Market Operator.)

6.5 The Participant reserves the right to terminate Your access to STP at any time in the Participant's absolute discretion, if, for example, Your Account has had frequent failed settlements, or we suspect that:

- a. Your Account has been accessed fraudulently;
- b. You are a Proscribed Person;
- c. You have attempted market manipulation; or
- d. You have committed fraudulent, illegal or unauthorised dealings on Your Account.

Without limiting our rights under paragraphs (a) to (d), we may terminate or suspend Your access to the Trading Site and the Services for reasons other than the ones mentioned above.

7.0 PAYMENTS AND INDEMNITY

7.1 You will pay the Participant brokerage fees and charges as specified by the Participant from time to time; and reimburse the Participant for any fees, taxes, consumption or value-added tax, stamp duty or any other charges levied in relation to each transaction. The Participant reserves the right to vary such fees and charges, and method of charging, at any time and without prior notice.

7.1A If You subscribe to a service for which we charge fees in arrears, we will charge the fee on a monthly basis. We will debit Your account at the end of each calendar month. The first month will be the period from the date when You subscribe to the end of the calendar month.

7.2 If the goods and services tax (GST) has application to any supply made by the Participant under or in connection with Your Account with the Participant under these terms and conditions, the Participant will in addition to any amount or consideration payable under these terms and conditions, recover from You an additional amount on account of the applicable GST.

7.3 You agree that the Participant may receive fees from the issuers of financial products or from any other party arising from Your use of Your Account and the Participant is not obliged to rebate these fees to You.

7.4 You agree that the Participant may pay fees on brokerage received by the Participant from You based on trades entered into by You.

7.5 You acknowledge that Your order may be matched with an order or orders of another client of the Participant. If this occurs You agree that the Participant may receive brokerage from both parties to the trade.

7.6 You irrevocably authorise the Participant or a Related Entity to appropriate any payments, remittances or receipts from You or for Your Account in such manner and order of priority as the Participant or a Related Entity deems fit against any amounts owing by You to the Participant or a related entity of the Participant.

7.7 You will indemnify the Participant or a Related Entity, its directors and employees against all actions, claims, demands and proceedings, expenses and losses incurred, (including legal costs on a solicitor and client basis) reasonably incurred, directly or indirectly, by the Participant or a Related Entity as a result of undertaking or executing Your instructions or orders or any failure by You to comply with this Agreement, the Corporations Act, the ASIC Market Integrity Rules, the Market Operating Rules, the ASX Settlement Operating Rules, and the customs, procedures, usages or practices of the ASX, or Your use of Your Account with the Participant.

7.8 Any expenses, costs or disbursements reasonably incurred by the Participant in recovering any outstanding monies from You including debt collection agency fees and solicitors costs shall be paid by You. You indemnify the Participant in respect of all such expenses, costs or disbursements.

7.9 The Participant or a Related Entity is entitled to retain any financial product or amounts due to You pending payment of any amounts due to the Participant and to set off amounts due to the Participant against amounts that the Participant hold for You in any account. If You fail to make payment to the Participant, the Participant has a general lien over and power to sell or realise any financial product the Participant holds for You. Where you are acting in the capacity of a trustee of a superannuation fund, this clause only applies to the extent it does not cause you to breach Regulation 13.14 of Superannuation Industry (Supervision) Regulations 1994.

7.10 If the Participant approves a Trading Limit to be applied to You or Your Account, You must ensure You have sufficient cleared funds in Your Cash Account at the time of the transaction to settle Your obligations to the Participant or a related party of the Participant.

8.0 FAILURE TO SETTLE

- 8.1 You're responsible for any share buys placed by your financial adviser. When you've decided which listed securities to purchase, you must ensure that sufficient funding will be available to settle the transaction. If there is insufficient funding available and you fail (after a demand has been made) to pay the amount due in respect of the trade, your trade will not be settled.
- 8.2 If You fail to settle by settlement date for any transaction arising from Your instructions, You agree to pay to the Participant on demand interest on any outstanding amount arising from the failure at the overdraft interest rate as varied by the Participant from time to time. You also agree to pay any fail fees arising from the failure to settle.
- 8.3 If by the settlement date, You have not made full payments for Your purchases or good delivery for Your sales, and a demand for payment has been made, then You authorise the Participant to sell or buy back on Your behalf at Your risk and expense (including without limitation, brokerage, stamp duty and other costs), any financial product that is the subject of the Confirmation or any financial product outstanding in Your Account or any of Your financial products in the Participant's control or possession and apply the proceeds in reduction of Your liability to the Participant and You irrevocably authorise the Participant, each of its directors and employees as Your attorney to give instructions accordingly.

9.0 OTHER AUTHORITIES & ACKNOWLEDGEMENTS

- 9.1 If You have been referred to the Participant by a third party Referrer for the Participant to provide You with trading, settlement, clearing or other services, You authorise the Referrer to use Your information (including, but not limited to, details of orders placed and trades entered into by you) to calculate any fees due to it from the Participant based on trades and services entered into by You by the Participant, and for use by the Referrer in marketing further services to You.
- 9.2 You authorise the Participant to disclose Your Tax File Number(s) or exemption details (if available in the Participant's records) to its related bodies corporate, ASX Settlement, trustees, sponsors of Your shareholdings and their agents and other issuers of securities for purposes relating to the securities in the trading account.
- 9.3 You acknowledge that if You do not provide a Tax File Number or exemption details to the Participant, tax may be deducted from Your dividends and distributions at the highest marginal tax rate (plus Medicare Levy).
- 9.4 You confirm either:
- You have ready access to the internet, and consent to receiving the Financial Services Guide through the Asgard Website or by email; or
 - You have otherwise received the Financial Services Guide in person or by post or email. In either case, You further acknowledge that You have read and understood the Financial Services Guide prior to receiving any financial service from the Participant and prior to making any decision to invest.
 - You may contact Asgard at any time to request that a

copy of our Financial Services Guide be sent to You by post, fax or email.

- 9.5 You acknowledge that You have read and understood the Participant's privacy policy contained on the Asgard Website. By conducting a trade through the Trading Site You acknowledge and consent to the collection, use and exchange of Your personal information as set out in the Customer Information and Privacy section of this document and the Participant's privacy policy (as amended from time to time).
- 9.6 If You wish to deal in Warrants, You agree that;
- You have received and read a copy of the explanatory booklet issued by the Australian Securities Exchange Limited (the ASX) in respect of Warrants;
 - You are aware that a Warrant has a limited life and cannot be traded after its expiry date;
 - You are aware that Warrants do not have standardised Terms of Issue and acknowledge that it is Your responsibility to become aware of the Terms of Issue of any Warrant in which You choose to invest;
 - You are aware that Warrants may be subject to adjustments after their initial issue. You acknowledge that it is Your responsibility to become aware of any adjustments which may have been made to any Warrant in which You choose to invest;
 - You are aware that admission to Trading Status of a Warrant does not imply that the ASX or the Securities Exchanges Guarantee Corporations Limited gives any guarantee or warranty as to the viability of the Warrant-Issuer or Guarantor; You acknowledge that failure of the Warrant-Issuer or the Guarantor (if applicable) to fulfil their obligations does not give rise to claim against the ASX, handling Market Participants or the Securities Exchanges Guarantee Corporations Limited;
 - You acknowledge that a Warrant Agreement Form is required to be completed and signed as a prerequisite to trading in Warrants.
- 9.7 You may only buy Financial Products which are partly paid or have instalment payments owing after settlement if you have completed a separate application form in respect of these Financial Products and we have accepted your application. The terms on which we provide services in respect of Partly Paid Securities are set out in these terms and conditions and the application form completed by you.

10.0 LIABILITY

- 10.1 You acknowledge that the systems used in the market or at the Participant or a Related Entity are vulnerable to disruptions or failure, which may result in Your order not being executed or delayed according to Your instructions. You release the Participant or a Related Entity from any loss, damage or liability that You may suffer or incur by reason of or in connection with any such disruption or failure provided that the Participant or a Related Entity has acted in good faith and without negligence.
- 10.2 To the maximum extent permitted by law, You acknowledge that the Participant or a Related Entity will not be liable to You or anyone else for any loss or damage, whether direct

or indirect, special, incidental or consequential or economic (including loss of profits), whether or not the Participant or a Related Entity knew or could have known of the possibility of such damage, where that damage arises from.

- a. delay, interruption, omission, failure, error or fault in the execution of Your instructions;
- b. delay in the execution of Your instructions arising from a review of Your instructions by the Participant;
- c. any error, omissions, non-receipt or invalidity in Your instructions;
- d. any fault, error, defect or engineering of the Trading Site or the Participant's or a Related Entity's computer systems, or any delay, fault, failure in or loss of access to the Trading Site; and
- e. any cause beyond the reasonable control of the Participant or a Related Entity, including but not limited to, failure of electronic or mechanical equipment or communication lines, unauthorised access or labour problems.

10.3 Nothing in sub-clauses 10.1, 10.2 and 10.4 shall exclude any implied condition or warranty the exclusion of which would contravene any statute or cause any part of these terms and conditions to be void or invalid.

10.4 To the maximum extent that liability can be limited, You agree that the Participant's or a Related Entity's liability is limited to the cost of resupplying its services.

10.5 Cboe and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations.

The Cboe compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Cboe participant, subject to certain exceptions. In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss.

If you do not expressly or impliedly instruct your stockbroker, who is a Cboe participant, to execute your trading instructions on the Cboe market, and it is not reasonably apparent from the usual business practice of your stock broker which of the ASX or Cboe market the participant would use when acting for you, the Cboe fund will not apply.

In this case, the National Guarantee Fund (NGF) may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au). Note that if your stockbroker is not an ASX participant, the NGF will not apply in any circumstance.

11.0 VARIATION AND TERMINATION

11.1 You may terminate Your Account by giving not less than five (5) Business Days written notice to the Participant, subject to all outstanding obligations being duly discharged.

11.2 The Participant may terminate Your Account at any time and without prior notice, subject to all outstanding obligations being fully discharged.

11.3 The Participant reserves the right to vary these terms and conditions and the services to which they relate to:

- a. add, change or remove any concessions or benefits;
- b. adopt or implement any legal requirement, decision, recommendation, regulatory guidance or standard of any court, tribunal, or ombudsman service regulator;
- c. accommodate changes in the needs or requirements of our clients, such as new product features or services;
- d. correct errors, inconsistencies, inadvertent omissions, inaccuracies or ambiguities;
- e. bring us into line with our competitors, industry or market practice or best practice in Australia or overseas; or
- f. reflect changes in technology or our processes including our computer systems.

Each of the changes in paragraphs (a) to (f) is a separate right and this clause is to be read as if such change was a separately expressed right.

Without limiting our rights under paragraphs (a) to (f), we may from time to time vary any of the terms and conditions for reasons other than the ones mentioned above (e.g. due to unforeseen events).

Any such variation shall apply to all dealings between You and the Participant on and from the day on which the variation takes effect. If the Participant varies these terms, conditions and/or services, the Participant will give not less than seven (7) days notice to You at the postal or electronic address last notified to the Participant by you, or at the Asgard Website.

Also the Participant may use our IVR facility to notify You of amendment(s), and provide information about where You can access full details of the amendment(s).

11.4 However, the Participant does not need to give You advance notice where any variation of these terms and conditions is required to comply with a Prescribed Requirement or is necessitated by an immediate need to restore or maintain the security of the system or individual accounts.

12.0 NOTICE

12.1 Any notice given, or demand made by the Participant, may be made by post or by email to the last notified address or email address as the case may be. Such notice or demand shall be deemed to have been received.

- a. if given by post will be deemed to have been received on the fifth Business Day following posting;
- b. when sent by email, one hour after the Participant sends it; and
- c. if given to us by email will be deemed to have been received upon being opened by us.

12.2 The Participant at its discretion may send any Confirmation in relation to any transaction on Your behalf by:

- a. pre-paid post to Your last notified address. Such Confirmation shall be deemed to have been received on the Business Day following posting; or
- b. email transmission or electronic data interchange (including over the World Wide Web) to Your last

notified email address when such address or number is provided by You. You acknowledge that You consent to receiving Your Confirmations by such electronic communication. You further acknowledge that the conditions set out in Part 3.4 of the ASIC Market Integrity Rules and part 7.3 of the ASIC Market Integrity Rules (Competition in Exchange Markets) 2011 Rules apply to such Confirmations. Any Confirmation sent to You by such electronic communication shall be deemed to be received on the day it was sent.

13.0 DISPUTE RESOLUTION

- 13.1 Any disputes between You and the Participant will be referred to the Australian Financial Complaints Authority (AFCA) if the dispute is within the jurisdiction of AFCA. If the dispute is not within the jurisdiction of AFCA, or cannot be settled through its processes, the parties will appoint a mediator and attend mediation in order to resolve the dispute.

14.0 APPLICABLE LAW

- 14.1 This Agreement is subject to the laws of the State of New South Wales, and the parties agree to submit to the non-exclusive jurisdiction of the courts of New South Wales, but the Participant may commence proceedings in another competent jurisdiction.

15.0 GUARANTEE & INDEMNITY

- 15.1 The Guarantor unconditionally and irrevocably guarantees the payment to the Participant of the Guaranteed Money.
- 15.2 If You do not pay the Guaranteed Money on time and in accordance with these terms and conditions, the Guarantor agrees to pay the Guaranteed Money to the Participant on demand from the Participant.
- 15.3 The Participant need not make a demand upon You to pay the Guaranteed Money or take action to enforce its rights against You before the Participant claims from the Guarantor.
- 15.4 The Guarantor makes the same declarations, agreements, authorisations and undertakings, and enters into the same agreement with the Participant as if the Guarantor was named in these terms and conditions.
- 15.5 The guarantee in this clause is a continuing obligation and extends to all of the Guaranteed Money.
- 15.6 The Guarantor unconditionally and irrevocably indemnifies the Participant and must pay the Participant on demand for any loss or costs the Participant suffers or incurs if:
- You do not, are not obliged to, or are unable to, pay the Participant the Guaranteed Money in accordance with these terms and conditions; or
 - the Guarantor is not obliged to pay the Participant an amount under the guarantee in clause 15.1; or
 - the Participant is obliged, or the Participant agrees, to pay an amount to a trustee in bankruptcy, liquidator or controller (as defined in the Corporations Act) (or to a bankrupt person or insolvent company) in connection with a payment by the Guarantor or You.
- 15.7 The Guarantor acknowledges that it is responsible for making itself aware of Your financial position.

- 15.8 The indemnity in this clause 15 is a continuing obligation, independent of the Guarantor's other obligations under these terms and conditions. It continues even after those obligations end. It is not necessary for the Participant to incur expenses or make payment before enforcing a right of indemnity conferred by this guarantee and indemnity.
- 15.9 Rights given to the Participant under this guarantee and indemnity and the Guarantor's liability under it are not affected by any act or omission by the Participant or anything else that might otherwise affect them under law.
- 15.10 Under law, a trustee in bankruptcy, a liquidator or a controller (as defined in the Corporations Act) may ask the Participant to refund a payment the Participant have received in connection with these terms and conditions or Guaranteed Money. To the extent that the Participant is obliged, or agrees, to make a refund, the Participant may treat the payment as if it had not been made to the Participant. The Participant is then entitled to exercise their rights against the Guarantor under this guarantee and indemnity as if the payment had not been made. This applies despite anything in this guarantee and indemnity or the fact that the Guarantor may have ended it.
- 15.11 The Guarantor must pay all amounts due under the guarantee and indemnity in full without setting off amounts the Guarantor believes the Participant owes to You or to the Guarantor and without counterclaiming amounts from the Participant. 15.12 All payments the Guarantor makes must also be free of any withholding or deduction for taxes, unless the law prevents this.
- 15.12 The Participant may set off any money it owes the Guarantor against any money the Guarantor owes the Participant under the guarantee and indemnity in these terms and conditions.

17.0 SEVERANCE

- 17.1 If any part of any of these terms and conditions is found to be void or unenforceable for unfairness or any other reason (for example, if a court or other tribunal or authority declares it so), the remaining parts of these terms and conditions will continue to apply as if the void or unenforceable part had never existed.

TERMS AND CONDITIONS OF PARTICIPANT SPONSORSHIP AGREEMENT

EXPLANATION OF EFFECT OF PARTICIPANT SPONSORSHIP AGREEMENT

The Terms and Conditions of Participant Sponsorship Agreement below constitute a contract that you enter into with us, under which You name us as Your CHESS sponsor and authorise us to create a CHESS Participant Sponsored Holding in your name and to trade on it as you instruct. This means that we control or 'sponsor' Your holdings of financial products on CHESS.

Clearing House Electronic Subregister System (CHESS) is the computer system used by ASX Settlement to record shareholdings and manage the settlement of share transactions.

Being CHESS sponsored by us means you can buy and sell shares more quickly than if your shares were 'issuer sponsored', and You can buy shares without providing a deposit if you have sufficient holdings.

You can also discuss the Terms and Conditions of Participant Sponsorship Agreement with us. To do so, please contact us on the details provided in the header of this document or on the Trading Site.

8.0 NOTIFICATIONS AND ACKNOWLEDGEMENTS

- 8.1 The Participant Sponsored Holder acknowledges that if the Participant is not a Market Participant of an Approved Market Operator, neither the Approved Market Operator nor any Related Party of the Approved Market Operator has any responsibility for regulating the relationship between the Participant Sponsored Holder and the Participant, other than

- in relation to the Rules relating to Sponsorship Agreements.
- 8.2 The Participant Sponsored Holder acknowledges that if a transfer is taken to be effected by the Participant under Section 9 of the Rules and the Source Holding for the transfer is a Participant Sponsored Holding under the Sponsorship Agreement, then:
- the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the transfer was not effected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the transfer; and
 - unless the Transfer is also taken to have been effected by a Market Participant of an Approved Market Operator or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the Transfer against the compensation arrangement applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations.
- 8.3 In the event that the Participant breaches any of the provisions of this Agreement, the Participant Sponsored Holder may refer that breach to any regulatory authority, including ASX Settlement.
- 8.4 In the event that the Participant is suspended from the Settlement Facility, subject to the assertion of an interest in Financial Products controlled by the Participant where the assertion is made, by either a liquidator, receiver, administrator or trustee of that Participant:
- the Participant Sponsored Holder has the right, within twenty (20) Business Days of ASX Settlement giving notice of suspension, to give Notice to ASX Settlement requesting that any Participant Sponsored Holdings be removed either:
 - from the CHESS Subregister; or
 - from the control of the suspended Participant to the control of another Participant with whom they have entered into a valid Sponsorship Agreement pursuant to Rule 12.19.10; or
 - where the Participant Sponsored Holder does not give notice under clause 8.4(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and the Participant Sponsored Holder will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where a Participant Sponsored Holder is deemed to have entered into a Sponsorship Agreement in accordance with Rule 7.2.3(b)(ii), the new Participant must enter into a Sponsorship Agreement with the Participant Sponsored Holder within ten (10) Business Days of the change of Controlling Participant.
- 8.5 The Participant Sponsored Holder acknowledges that before the Participant Sponsored Holder executed the Agreement, the Participant provided the Participant Sponsored Holder with an explanation of the effect of the Sponsorship Agreement to the Participant Sponsored Holder and the Participant Sponsored Holder understands the effect of the Agreement.
- 8.6 The Participant Sponsored Holder acknowledges that in the event of the death or bankruptcy of the Participant Sponsored Holder, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with Rules 8.15.8 to 8.15.11, unless the Participant Sponsored Holder's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHESS Subregister.
- 8.7 The Participant Sponsored Holder acknowledges that in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, for a period of up to three calendar months subsequent to the removal of the Holder Record Lock pursuant to Rule 8.16.3, unless the Participant Sponsored Holder's legally appointed representative elects to remove the Participant Sponsored Holdings from the CHESS Subregister.
- 8.8 (Joint Holdings Only) The Participant Sponsored Holder acknowledges that in the event of the death of a joint Participant Sponsored Holder, all Holdings under the joint Holder Record must be transferred into new Holdings under a new Holder Record in the name of the surviving Participant Sponsored Holder, and the Sponsorship Agreement remains valid for the new Holdings under the new Holder Record.
- 8.9 (Joint Holdings Only) The Participant Sponsored Holder acknowledges where the Sponsorship Agreement is in respect of a joint Participant Sponsored Holding, in the event of the Bankruptcy of one of the Holders, the Controlling Participant will:
- unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Holdings from the CHESS Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record; and
 - establish a new Holder Record in the name(s) of the remaining Participant Sponsored Holder(s) and transfer the interest of the remaining Participant Sponsored Holder(s) into new Holdings under the new Holder Record.
- 9.0 CHANGE OF CONTROLLING PARTICIPANT**
- 9.1 If the Participant Sponsored Holder receives a Participant Change Notice from the Controlling Participant of the Participant Sponsored Holding and the Participant Change Notice was received at least twenty (20) Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder is under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 9.2 or 9.3.
- 9.2 The Participant Sponsored Holder may choose to terminate the Agreement by giving Withdrawal Instructions under the Rules to the Controlling Participant, indicating whether the Participant Sponsored Holder wishes to:

- a. transfer its Participant Sponsored Holding to another Controlling Participant; or
 - b. transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.
- 9.3 If the Participant Sponsored Holder does not take any action to terminate the agreement in accordance with clause 9.2 above, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder does not agree to the change of Controlling Participant then, on the Effective Date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the Effective Date:
 - a. the New Controlling Participant is a party to the Agreement in substitution for the Existing Controlling Participant;
 - b. any rights of the Existing Controlling Participant are transferred to the New Controlling Participant; and
 - c. the Existing Controlling Participant is released by the Participant Sponsored Holder from any obligations arising on or after the Effective Date.
- 9.4 The novation in clause 9.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Controlling Participant confirming that the New Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder. The Effective Date may as a result be later than the date set out in the Participant Change Notice.
- 9.5 The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 9.4 by the doing of any act which is consistent with the novation of the Agreement to the New Controlling Participant (for example by giving an instruction to the New Controlling Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.
- 9.6 The Agreement continues for the benefit of the Existing Controlling Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation in clause 9.3 not binding or effective on the Effective Date, then the Agreement will continue for the benefit of the Existing Controlling Participant until such time as the novation is effective, and the Existing Controlling Participant will hold the benefit of the Agreement on trust for the New Controlling Participant.
- 9.7 Nothing in this clause 9.0 will prevent the completion of CHESS transactions by the Existing Controlling Participant where the obligation to complete those transactions arises before the Effective Date and the Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Agreement to the New Controlling Participant under this clause 9.0.
- 9.8 In the event that any of the Holdings comprise AQUA Products, the new Controlling Participant is accredited in accordance with Section 18 of the Rules to facilitate the settlement of AQUA Products. Note: Under Rule 7.4, ASX Settlement will not accept a Notice of change of Controlling Participant where the new Controlling Participant is not accredited to facilitate the transfer of AQUA Products.

10.0 CLAIMS FOR COMPENSATION

- 10.1 As a Participant of the Australian Securities Exchange Limited (ASX) any claim for compensation can be lodged with the National Guarantee Fund which operates as a compensation arrangement for investors who may suffer loss due to the defalcation by Participants in relation to equities and warrants and exchange traded options.
- 10.2 If the Participant breaches a provision of this Agreement and the Participant Sponsored Holder makes a claim for compensation pursuant to that breach, the ability of the Participant to satisfy that claim will depend on the financial circumstances of the Participant.
- 10.3 If a breach by a Participant of a provision of this Agreement falls within the circumstances specified in the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations, a Participant Sponsored Holder may make a claim under the relevant compensation arrangements.
- 10.4 The Participant Sponsored Holder is entitled to receive an executed copy of this Agreement from the Participant but acknowledges that the Participant shall not be required to provide such copy unless requested by the Participant Sponsored Holder.

11.0 TERMINATION

- 11.1 Subject to the Rules, this Agreement will be terminated upon the occurrence of any of the following events:
 - a. by notice in writing from either the Participant Sponsored Holder or the Participant to the other party to this Agreement;
 - b. upon the Participant becoming insolvent;
 - c. upon the termination or suspension of the Participant; or
 - d. upon the giving of Withdrawal Instructions by a Participant Sponsored Holder to a Controlling Participant in accordance with Rule 7.1.10(c).
- 11.2 Termination under Clause 11.1(a) will be effective upon receipt of Notice by the other party to the Agreement.

12.0 VARIATION

- 12.1 Should any of the provisions in this Agreement be inconsistent with the provisions in the Rules, the Participant shall, by giving the Participant Sponsored Holder not less than seven (7) Business Days written Notice, vary the Agreement to the extent to which, in the Participant's reasonable opinion, it is necessary to remove any inconsistency.

Best Execution Policy:

Share Trading is a service provided by Australian Investment Exchange Ltd (the Participant, we, us, our) ABN 71 076 515 930 AFSL 241400, a Market Participant of Australian Securities Exchange Limited (ASX) and Cboe Australia Pty Ltd, a clearing participant of ASX Clear Pty Limited and a settlement participant of ASX Settlement Pty Limited.

As a Market Participant, Australian Investment Exchange Limited has an obligation to obtain the best outcome for its clients when handling and executing client orders, the Best Execution Obligation. This disclosure sets out how the Participant meets its Best Execution Obligation.

The Participant will take all reasonable steps to obtain the best possible outcome for its clients. Best outcome means different things for different clients. For retail clients best outcome will mean best total consideration – in other words, the purchase or sale price after brokerage and GST. If you are a retail client, this will mean that the Participant will always attempt to obtain the best total consideration for your order unless you instruct us otherwise.

For wholesale clients, best execution will include price, costs, speed and likelihood of execution and any other relevant order consideration. The Participant will generally give price a higher relative importance when obtaining the best outcome but may also take into consideration and give priority to a range of different factors, including the requirement for timely execution, the liquidity of the market, potential price impact and the size of the order.

For both retail and wholesale client orders, we will choose a venue or venues that satisfy our Best Execution Obligation.

Execution venues considered by the Participant when executing orders are ASX TradeMatch, ASX CentrePoint and Cboe Australia Pty Ltd.

Where part or all of an order does not trade immediately, the remainder of that order will be sent to one of the available execution venues. During the opening and closing phases of the trading day, the Participant will send orders to participate in the ASX TradeMatch opening and closing auctions. The closing price of a security will be determined by the ASX TradeMatch closing price. When an execution venue is unavailable (for example, due to a market outage, differing trading hours for trading venues or outside of trading hours), the Participant may execute existing and new orders on any remaining open execution venues provided we believe that our Best Execution Obligation can be achieved in taking this action.

Your orders can be executed via different methods including by an automated order processing system or by human intervention. Your orders will be treated in accordance with the relevant Market Operating Rules and ASIC Market Integrity Rules.

Where we receive specific instructions from you, we will take reasonable steps to execute those instructions, even though they may not achieve the best outcome for you, provided they do not conflict with other obligations under the Corporations Act, ASIC Market Integrity Rules or other relevant laws. Wholesale clients may provide standing instructions or execution requirements which can include instructions to opt-out of our Best Execution procedures.

On receipt of a reasonable request by a client we will provide the client with evidence that the order has been executed in accordance with our policies and procedures. On receipt of a request we will advise the client of the estimated time to provide the necessary information.

The Participant will periodically review and monitor its Best Execution procedures, practices and connections to alternate trading venues. We will annually review any opt-out or standard instructions received from a wholesale client.
