Frequently Asked Questions (for guidance only)

For existing customers sharing their referral code

1. What is the AMP Bank GO Refer a Friend Promotion?

The AMP Bank GO Refer a Friend Promotion gives eligible existing customers and their friends **\$50 each** when the referred friend opens an eligible AMP Bank GO Everyday Account and both the referrer and referred friend meet the eligibility requirements set out in the AMP Bank GO Refer a Friend Terms and Conditions.

2. Who can refer a friend?

You may be eligible to refer a friend if you already have an AMP Bank GO Everyday Account, have been issued a valid referral code, and your account is in good standing.

Ready to share? Your referral code is in the AMP Bank GO app. Go to your Everyday Account and tap the icon in the top right. Follow the instructions to Refer a Friend.

3. How do I refer a friend?

Simply share your referral code with your friend during the Promotional Period. For you both to be eligible, they must be one of the first 700 customers to open an AMP Bank GO Everyday Account and, within 30 days of opening the AMP Bank GO Everyday Account, complete the following:

- deposit at least \$2,000 into their account;
- make three settled (completed) card transactions over \$10 each using their AMP Bank GO Everyday Debit Mastercard; and
- provide your referral code through live chat in the AMP Bank GO app.

4. How much can I earn?

If you meet the eligibility criteria as a Referrer, you can earn \$50 for each eligible referral, up to a maximum of three referral payments during the Promotional Period. That's up to \$150 in total.

5. When will I receive my \$50 referral payment?

Once your friend has met all eligibility requirements, your \$50 Referral Payment will generally be credited to your linked AMP Bank GO Everyday Account in the following calendar month, with the first payments commencing in October. Look out for “Refer Bonus” in the app.

6. Can I refer more than 3 friends?

Yes. You can share your referral code with as many friends as you like. However, Referral Payments are capped at three Eligible Referrals, provided the Eligible Referral is one of the first 700 Eligible Referrals during the Promotion Period.

7. Can I refer myself?

No. Self-referrals and duplicate referrals aren’t eligible, and referrals that fall outside the spirit of the Promotion may not qualify.

8. Can I post my referral code publicly?

Referral codes should be shared with friends and family in good faith and in the spirit of the offer. AMP Bank may disqualify referrals that are in breach of the AMP Bank GO Refer a Friend Terms and Conditions.

9. Why might I not receive the \$50 payment?

To receive the \$50 payment, all offer requirements set out in the AMP Bank GO Refer a Friend Terms and Conditions need to be met. You may miss out if your friend isn’t one of the first 700 eligible referrals, doesn’t provide their referral code through live chat in the AMP Bank GO app, isn’t eligible as a new customer, or doesn’t complete the required deposit and card transactions. Both accounts also need to be in good standing when the payment is made.
