

AMP Cash Plus

Quarterly Investment Option Update

31 March 2017

Aim and Strategy

Aim and strategy: To provide a return above the Bloomberg AusBond Bank Bill Index on a rolling 12 month basis, subject to the provision of the guarantee as described below. The portfolio invests in a diversified range of investment grade Australian money market securities, including cash-like securities with short term maturities such as prime bank bills, commercial paper and term deposits. The portfolio may also invest in medium term securities including floating rate notes and asset backed securities. The portfolio may use derivatives such as options, futures or forward rate agreements to protect against risks, enhance returns or increase or reduce exposure to physical investments where this is consistent with the investment objectives.

Guarantee: AMP Life guarantees that the unit price will never fall. This may mean that at times the unit price will not immediately rise with upward movements in asset values.

What you need to know

This publication has been prepared by AMP Life Limited ABN 84 079 300 379, AFSL No. 233671 (AMP Life). The information contained in this publication has been derived from sources believe to accurate and reliable as at the date of this document. Information provided in this investment option update are views of the underlying Investment Manager only and not necessarily the views of the AMP Group. No representation is given in relation to the accuracy or completeness of any statement contained in it. Whilst care has been taken in the preparation of this publication, to the extent permitted by law, no liability is accepted for any loss or damage as a result of reliance on this information. AMP Life is part of the AMP Group. In providing the general advice, AMP Life and AMP Group receives fees and charges and their employees and directors receive salaries, bonuses and other benefits.

The information in this document is of a general nature only and does not take into account your financial situation, objectives and needs. Before you make any investment decision based on the information contained in this document you should consider how it applies to your personal objectives, financial situation and needs, or speak to a financial planner.

The investment option referred to in this publication is available through products issued by AMP Superannuation Limited ABN 31 008 414 104, AFSL No. 233060 (ASL) and/or AMP Life. Before deciding to invest or make a decision about the investment options, you should read the current Product Disclosure Statement for the relevant product, available from ASL, AMP Life or your financial planner.

Any references to the "Fund", strategies, asset allocations or exposures are references to the underlying managed fund that the investment option either directly or indirectly invests in (underlying fund). The investment option's aim and strategy mirrors the objective and investment approach of the underlying fund. An investment in the investment option is not a direct investment in the underlying fund.

Neither AMP Life, ASL, any other company in the AMP Group nor underlying fund manager guarantees the repayment of capital or the performance of any product or particular rate of return referred to in this document. Past performance is not a reliable indicator of future performance.
